157 sec we are proud to help you through our website good apps in the process of being noticed.

Exciting and challenging games with 3 different weapons QTE and cinematic action Various powerful ninja skills and weapons Ninjutsu upgrade system Go through the city of Tokyo with intense shotshifts.. These important scenes take place on the screen in front of you and Ken automatically makes all his crazy ninja tricks You are only asked to touch the correct attack or evacuation button when prompted by the game.. The big boss games in the game are action center but they fall flat because you spend half of the time and irregularly cut your enemy and the other half in a QTE..
